

Revelation Lesson 83 The 6th Seal: Events on the Earth (Part II)

Revelation 6:12a & 14b And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood; 14 And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places.

Last week we touched on what the 3 Heavens are and where they are located. We also took note of the events occurring in the 1st and 2nd Heavens. We did so by covering verses 12-14, but we skipped a couple of portion found in verse 12 and 14. So today we continue our look at the events of the 6th Seal seeing some drastic, dramatic affects now upon the Earth found in those skipped portions from last week.

And I beheld when he had opened the sixth seal, and, lo, **there was a great earthquake;** - So, we again note that we are looking at the effects of the opening of the 6th Seal. We saw that there were some pretty horrific and amazing things happening to the Sun which caused the Moon to appear the deepest red it ever will and then the blast from the solar wind will cause space debris and other meteoroids to be pushed inward and thus the “unscheduled” meteor shower will take place with most becoming meteorites (due to the wording: fell unto the earth.

Now we read immediately prior to these events happening there will be “a great earthquake.” Does the Sunspot activity have anything to do with this? The United States Geological Society actually took this question up to give it an answer and said: “Many have wondered whether solar activity can be linked to earthquakes, but a recent study found no direct relationship between the two. Scientists assembled historical records of the Sun’s interaction with Earth, looking at sunspots, solar wind, and magnetic storms. They then compared these with historical records of earthquake occurrence. They found no significant pattern between solar activity and more or larger earthquakes. There is no demonstrated way to use space data to predict future earthquakes.” So No, Solar activity does not cause earthquakes.

I have my own idea in regards to a possible reason. We know God of course is in charge, but what was the last thing that happened on the Earth that we looked at? We saw the Old Testament Martyrs in Heaven when the 5th Seal was broken, that I contended began the ministry of the Two Witnesses and heralded the start of Jews getting saved in Jerusalem (which will lead to – as we shall see in Chapter 7 – Gentiles getting saved!). So what happened prior to that? The 4th Seal which informs us that 1/4 of the Earth’s population will die and ALL those will go to Hell.

In studying Geological History and events that have occurred on the Earth Dr. Kent Hovind has sought to answer such evidence with the Hovind Theory, now I want to give you the Lovelace Theory as to the cause of the Great Earthquake of Revelation 6:12 AND I believe an explanation as to WHY there will be a Crustal Polar Shift. So move over El Nino and Global Warming! THIS is REALLY going to happen – possibly in the near future!

Present Charts and Doctrine of Hell.

The Lovelace Theory:

Scientists and Researchers claim the Soul is Real: In 1907 a Doctor MacDougall claimed to have measured the weight of the Soul. 21 grams. Then in 1988, scientists in Dresden, Germany stated that they measured the weight at 1/3,000th of an ounce. In the mid-1990s and even recently a Russian Dr. Korotkov created the Gas Discharge Visualization (GDV) Bioelectrography camera which measures the human energy field and he has purported on several occasions to have

photographed a type of energy leaving the human body – an energy he believes is the Human Soul.

Now if we take the 1907 figure of 21 grams and add in my figure of an estimated 1.6 Billion Dead then this gives us a weight of 33,600,000,000 (33.6 Billion) grams or 74,075,380.5 (74 million) pounds which is 37,037.7 Tons – now imagine that dropping into the Earth.

So what we're noting here is that regardless of weight, the Soul is mass. So according to the Bible surrounding Hell there is this Great Gulf Fixed. Nodoubt, throughout the years pressure has released via Volcanoes and Earthquakes.

When Jesus said in Matthew 24:7 “For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and earthquakes, in divers places.” Again, we note the plurality of “earthquakes, in divers” or diverse or different places.

WHY THIS GREAT EARTHQUAKE?

So we observe that with the suffen influx of the souls of the damned a possible 37,000+ TONNES of weight coming into the heart of the Earth, Hell cannot enlarge further, hence the pressure must release then by 1.) Volcanic eruptions (that's a given) 2.) Earthquakes in different places BUT – according to our Text here in Revelation 6:12 it is called a “GREAT EARTHQUAKE” hence it's not going to be ONE LONG FISSURE but cracks must be going to occur all over the place AT ONCE.

Now at this moment, it appears that with the onset of the Solar winds, the Earth – the whole Earth will be quaking, it appears from the Old Testament in Isaiah, that at this moment the Earth will begin to “wobble” or reel.

Please note that I am not talking about Precession. Again, the Earth is the Center of the Universe, it is NOT Rotating or spinning on its axis. See Handout. But as it is about to wobble, the Crust will have become “loose” and will slide, notice:

and every mountain and island were moved out of their places. - Note this is NOT the same thing as Revelation 16:18-20 And there were voices, and thunders, and lightnings; and there was a great earthquake, such as was not since men were upon the earth, so mighty an earthquake, and so great. 19 And the great city was divided into three parts, and the cities of the nations fell: and great Babylon came in remembrance before God, to give unto her the cup of the wine of the fierceness of his wrath. 20 And every island fled away, and the mountains were not found.”

It may sound almost the same but it isn't – there we see that every Island “fled away” and the mountains “were not found” or they were levelled. Here, in Revelation 6:14 we see that both the mountains and islands were MOVED out of their places.

So, imagine an orange and we've peeled the whole skin to where it's loose, movable but still on the Orange.now we move it around while the orange stays still, that's the effect. In other words this is going to wreck havoc upon the Earth's population not to mention when the whole thing reels it will “slosh the oceans around” which will cause flooding.

So picture this, the Sun's blacked out, the Moon is deep blood red (that's the REAL BLOOD MOON) and there's a terrible unscheduled meteor shower. The Earth begins to rock, an Earthquake occurs at once in different places all around the world and the crust, land, oceans and all are beind turned SOUTH. Notice Isaiah 24:1 Behold, the LORD maketh the earth empty, and maketh it waste, and turneth it upside down, and scattereth abroad the inhabitants thereof.”

Did you SEE THAT!??? This is going to be a CRUSTAL POLE SHIFT. The EARTH – not the magnetic pole - is going to be dislodged and shift so that the North Pole will essentially become the South Pole and vice versa.

Now drop down, look at Isaiah 24:17-23 Fear, and the pit, and the snare, are upon thee, O inhabitant of the earth. 18 And it shall come to pass, that he who fleeth from the noise of the fear shall fall into the pit; and he that cometh up out of the midst of the pit shall be taken in the snare: for the windows from on high are open, and the foundations of the earth do shake. 19 The earth is utterly broken down, the earth is clean dissolved, the earth is moved exceedingly. 20 The earth shall reel to and fro like a drunkard, and shall be removed like a cottage; and the transgression thereof shall be heavy upon it; and it shall fall, and not rise again.

Now look at verses: 21-22 And it shall come to pass in that day, that the LORD shall punish the host of the high ones that are on high, and the kings of the earth upon the earth. 22 And they shall be gathered together, as prisoners are gathered in the pit, and shall be shut up in the prison, and after many days shall they be visited.

Now look at Revelation 6:15-17 – that's next week.

But look at the final verse 23 Then the moon shall be confounded, and the sun ashamed, when the LORD of hosts shall reign in mount Zion, and in Jerusalem, and before his ancients gloriously.

Do you see WHEN this in Isaiah is going to happen? Revelation 6!!! Remember last time we noted that the Antichrist will think to change times? Well when the Earth turns upside down, then the Sun (remember its going around us) would go backwards (not to mention the sky's gonna be REALLY crazy while the Earth wobbles) and we MIGHT – after the wobble stopped – possibly have a climate here in North Carolina like Asuncion the Captial of Paraguay in South America. (Draw a stright line from Rutherford County south to the approximate location above the 30th Longitude. December 22nd would be the Start of Summer! But who knows how the wobble will cause the time and seasons to change – they won't cease due to God's promise in Genesis 8:22 While the earth remaineth, seedtime and harvest, and cold and heat, and summer and winter, and day and night shall not cease.”
