

To Remember our Mighty God is to Worship Him

Joshua 4

October 15, 2023

Christians are often called to remember. (Psalm 77:11-12)

God has defined himself by his actions in time, in history.

Christians must always be thinking about the past, acting in the present, and planning for the future.

Remember the Past

Where were the stones? Why 12?

The unity of the people of God across the tribes, and across time.

Did you know that there were 7 stone memorials in Joshua?

It is a tragic thing for the people of God to forget God.

The stones were tools for remembering.

When you see these stones, rejoice! Why?

Do you live with future hope because of what God has done in the past?

Has God convinced you of his faithfulness yet?

What are our standing stones, our stones of remembrance?

The Crossing of the Jordan complete the Exodus (Joshua 4:19; Exodus12:3)

When did Jesus enter Jerusalem before he died?

What do These Stones Mean to You? V 6, v 21-24

Remembering the past yields confident faith in the present.

A sign for all peoples, and a sign for the people of God

- 1) Be one in the faith
- 2) Remember God's great works in the past

3) Teach the next generation the wonderful works of God.
