Benediction

- 1. Why was Joshua and Caleb's report so different from that of the other spies when they all saw the same things in their travels?*
- 2. God knew the spiritual state of the Israelites who rebelled and would die because of their unbelief. How does that make v. 11 surprising?*
- 3. Name differences between Old and New Testament church history with respect to conversion experiences. What can we learn from this?*
- 4. Which of the two histories would be more the pattern we would expect for those who grow up in the church? Explain your answer.*
- 5. What if anything have you learned from this message? How should this affect your outlook, spiritually, going forward?*
