

Through Devastation to Restoration

Jeremiah 33:1-9

Westminster Homecoming 2016

Are you looking for the perfect church? I found it!

Are you looking for the perfect pastor? I found him!

What was Jeremiah doing?

Why did God speak this promise to him?

Are the best days of Westminster Presbyterian Church behind her?

Our need for a Word from God, verses 1-3

Why was Jeremiah in jail?

What does the LORD make, or establish?

To whom is the promise of verse 3 given?

The Futility of Human Effort, verses 4-5

We cannot do it on our own. We cannot fix the church.

The people were trying everything to defend themselves.

Why will their efforts fail?

The first step to healing is to admit that you are sick.

The Unconditional Goodness of God, verses 6-9

Where did this promise come from?

If the future of this church will be bright, why will it be bright?

What will God do with all their evil?

The entire world will know of my goodness toward you.

The world needs to see the goodness of God in us, in our community, in our healing, restoration and renewal.

Our hope is in the steadfast love of the Lord through Jesus Christ.
