

HEBREWS
Our Superior Savior
Warning #1: Ignorance ~ “Drift Away”
Hebrews 2:1-4

PASTOR’S PRAYER

Almighty God, You are Trustworthy, True and Right. You have proved yourself faithful and steadfast throughout all generations. You are worthy of worship, honor and praise. You deserve much closer attention, devotion and consideration. We confess, Lord, our lives are filled with calendars, tasks, agendas, errands. Many of these things important and pressing, however, in our business we have lost sight of our first love. We have drifted from Christ, the radiance of the glory of God and have settled for the shadows of our own busyness. Lord, so fill us with your Spirit this morning in the preaching of your Word that we may know with clarity the danger of our drifting. Convince us of the just retribution assured for every transgression and disobedience and grant us repentance and faith this morning that we might escape this sure judgment and receive with joy and anticipation your great salvation. We ask these things in the name and authority of Jesus Christ our trustworthy Savior. Amen & Amen.
