Questions

1 – (06:00) – Death – When the body dies, the spirit leaves the body. We are asleep in Jesus. When the Resurrection comes, what are the body and spirit reunited with?

2 – (14:55) – When Jesus raised people from the dead, some of the people watching still did not believe. Please comment on that.

3 – (21:10) – I have a friend that is a spiritual counselor that tells me the Holy Spirit tells her things and instructs her to do certain things. The caller explained that this counselor does and says things that are not of the Holy Spirit and that it may be of the occult. The counselor continues to call and has become a nuisance. The caller is asking for guidance on how to handle this.

4 – (25:40) – Does the unbeliever have another chance after death to believe in Jesus Christ? What happens to “good” people but are not Christians?

5 – (35:45) – Jeremiah 1 and Psalm 139- I have been taught that life starts at conception. With the medical breakthroughs and the opportunities to have conception take place outside the normal understanding (such as in vitro fertilization), is that still a fulfillment of these two scriptures?

6 – (39:30) – Why didn't the brothers listen to Joseph when he told them in Genesis 46 that when Pharaoh calls you and asks “What is your occupation?” that you will say that your servants have been keepers of livestock from our youth. Can you explain what was going on here?

7 – (44:20) – Rev 21:8 and Rev 22:15 talks about those that will not see the kingdom of God. Part of the list talks about the sorcerers and the Greek translation pertains to those that use drugs. Can you expand on that subject?

11 – (58:15) – How quick is “absent from the body and present with the Lord” would we see the separation of the soul and the spirit?
