## **Christ-Adoring Humility**

### **1. The Exhortation (Phil. 2:5)**

### **2. The Picture (Phil. 2:6-8)**

#### **I. From the \_\_\_\_\_ of Heaven (Phil. 2:6)**

II. To the \_\_\_\_\_ of Humanity (Phil. 2:7)

III. To the \_\_\_\_\_ of Death (Phil. 2:8)

### **Praxis**

1. This passage contains some of the most technical theology alongside a very practical exhortation to humility. What does this teach us about the relationship between theology and Christian living?
2. How does this text prevent us from thinking that Jesus “emptied Himself” **of** anything related to His deity? Why is that theologically important?
3. How does a consideration of these three stages of Christ’s humble descent affect you?
