Thank You!

Greetings church family -

Thank you very much for the opportunity to be part of IBM's Conference and share my testimony. I am so thrilled that you are my church family. Nothing is like your love for Christ. I love you. Thank you for everything. Thank you also for the love offering. You gave graciously and generously.
- Saada

My dear church family.

Thank you so much for all that you did for my mom during the last days of her life. The Hospice nurses commented often that they knew mom was loved by many, based on the number of friends and family who stopped in to visit with her, sing songs to her, and pray with her, every day she was there. Whether you know it or not, your love for mom was actually a greater demonstration of your Love for our Savior. We are also grateful to you for the love, kind words, and prayer support you showered on my family.

Sincerely,

The Roberts family
