“Do What?”

Following Christ doesn't come **easy**.

Matthew 16: 24-27

“If anyone would come after me, he must deny himself and take up his cross and follow me.” (v. 24)

Steps to Becoming a Follower of Jesus:

- *Deny self*—by relinquishing your rights and surrendering to His will.
- *Take up your cross*—by being willing to endure hardship and shame while dying to sin and self.
- *Follow Jesus*—which implies seeking God for direction and living with a focus of caring more for others than you do yourself.

Jesus tells us to deny ourselves and **die** daily.

1 Corinthians 15: 31

You can't carry a cross without **suffering**.

Luke 6: 22; 2 Timothy 3: 12; Philippians 1: 29

Change can be **painful**.

Matthew 7: 13-14

It's easier to follow the far more **popular** path but it leads to destruction.

Matthew 7: 21-23; Romans 3: 23; Romans 6: 23

When we follow Jesus, God **changes** us from the inside-out.
