

Four Warning Lights in the Heart

Galatians 6:11-14

The mechanics and meaning of verse 11

Four warning lights in the heart:

1. I'm concerned about putting on the right outward appearance (12a)
2. I'm guarding myself from any mistreatment because I'm a Christian (12b)
3. I'm living hypocritically, fostering a reputation for a level of spirituality that does not really exist in my heart (13a)
4. I'm finding my satisfaction in the right externals, rather than the right heart (13b)
