### **I. The Force of the Warning**

1. Our selfishness (sin) is capable of destroying \_\_\_\_\_.
2. Because sin is so deadly, even apostles were in danger of \_\_\_\_\_.
3. Therefore even \_\_\_\_\_ dare not shrug off this warning!

### **II. The Summons to Battle**

4. All people live in spiritual battle: to be alive is to be at \_\_\_\_\_.
5. Jesus calls us not to harm our bodies, but to harm our \_\_\_\_\_.
6. The call of the gospel is to make this war serious and \_\_\_\_\_.

### **III. The Promise of Victory**

7. In Jesus, every strike against sin is a step into \_\_\_\_\_.
8. As we choose Jesus over sin, scars become trophies for \_\_\_\_\_.
