ABOUT THE MID-CITIES RP FELLOWSHIP

We welcome you to the Reformed Presbyterian Church and the Worship of God! We are prayerfully seeking the Lord to establish a congregation in the Mid-Cities region of the Metroplex. This work is being overseen by the session of the *Dallas Reformed Presbyterian Church* of Fairview, TX. Please join us in prayer, praise, and preaching tonight as we worship our Triune God together as we seek His face.

Join us as well after the service when our Presbytery's Regional Home Missionary, Rev. Mark Koller, will introduce us to the Presbytery, Denomination, and how Church Planting is done in the RPCNA.

About our Denomination (RPCNA)

The Reformed Presbyterian Church has been in the United States since the 18th century. We are a Bible believing denomination that believes that the Word of God is inerrant and infallible. We are evangelistic in that we believe that the gospel of free grace through faith alone in Christ alone is the only hope for all men. We believe in the Regulative Principle of Worship that God is to be worshiped as He has commanded.

You can find more information on the beliefs of the Church at <http://www.dallasrpc.org>.
