# **THE CULT VICTIM-HOOD (WAY OF CAIN)!**

**JOEY FAUST (11-27-22)**

**TEXT: Jude 1:10 But these speak evil of those things which they know not: but what they know naturally, as brute beasts, in those things they corrupt themselves.**

**11 Woe unto them! for they have gone in the way of Cain...**

**Acts 24:14 But this I confess unto thee, that after **the way** which they call heresy, **so worship** I the God of my fathers, believing all things which are written in the law and in the prophets:**

1 John 3:11 For this is the message that ye heard from the beginning, that we should love one another.

12 **Not as Cain**, who was of that wicked one, and slew his brother. And wherefore slew he him? **Because his own works were evil, and his brother's righteous.**

13 Marvel not, my brethren, if the world hate you.

**2 Timothy 3:3 Without  
natural affection,  
trucebreakers, false  
accusers, incontinent,  
fierce, despisers of those  
that are good,**

**Genesis 4:3 And in process of time it came to pass, that Cain brought of the fruit of the ground an offering unto the LORD.**

**4 And Abel, he also brought of the firstlings of his flock and of the fat thereof. And the LORD had respect unto Abel and to his offering:**

**Genesis 4:5 But unto Cain and to his offering he had not respect. And Cain was very wroth, and his countenance fell.**

**6 And the Lord said unto Cain, Why art thou wroth? and why is thy countenance fallen?**

**7 If thou doest well, shalt thou not be accepted? and if thou doest not well, sin lieth at the door. And unto thee shall be his desire, and thou shalt rule over him.**

**Galatians 4:28 Now we, brethren,  
as Isaac was, are the children of  
promise.**

**29 But as then he that was born  
after the flesh persecuted him  
that was born after the Spirit,  
even so it is now.**

***-Up from Slavery* is the  
1901 autobiography of  
Booker T. Washington  
(1856–1915).**

**"There was no wooden floor in our cabin, the naked earth being used as a floor...the poorly built cabin caused us to suffer from cold in the winter...I can't remember having slept in a bed until after our family was declared free...we slept in and on a bundle of filthy rags laid upon the dirt floor...there was no period in my life devoted to play..."**

**"I have begun everything with the idea that I could succeed, and I never had much patience with the multitudes of people who are always ready to explain why one cannot succeed."**

**(Booker T Washington)**

**"We wanted to teach the students how to bathe; how to care for their teeth and clothing. We wanted to teach them what to eat, and how to eat it properly, and how to care for their rooms. Aside from this, we wanted to give them such a practical knowledge of some one industry, together with the spirit of industry, thrift, and economy, that they would be sure of knowing how to make a living after they had left us." (Booker T Washington)**

**LTC Allen B. West (Ret.), Chairman,  
Republican Party of Texas:**

**"...the desire of these white  
progressive socialists to  
perpetuate the sense of a  
victim mentality..."**

**"Consider the '1619 Project' which the left is pushing, and seeking to indoctrinate our children to believe."**

**"You will never hear about the incredible life of one of America's greatest educators and orators, and my philosophical mentor, Booker T. Washington, founder of Tuskegee Institute..."**

**“Washington's principles were education, entrepreneurship, and self-reliance...not exactly progressive socialist principles...”**

**"We should all be reading Washington's autobiography 'Up From Slavery,' not just this month, but always..."**

**"BLM does not support the traditional nuclear family...the policies of the racist Democrats decimated the Black family."**

**"Since the 'woke cancel culture' of the left is so into declaring everyone white supremacists, what about the one who founded Planned Parenthood?..."**

**"We do not need 'Critical Race Theory'...to advance a present-day slave mentality, victimization..."**

**"As for me and my house, we choose to be victors...every day."**

**Tim Barton, President of WallBuilders; on**  
**Stu Burguiere:**

**"In this [life) story, he doesn't have a victim mentality. And because he doesn't have a victim mentality, it's not very well received in the modern mantra..."**

**"When you look at the new editions of *Up From Slavery*...it actually has a section To the Reader...It says, 'This book is a work of fiction.'"**

**"So many of the early black heroes in American history don't fit the modern narrative of the victim mentality of Critical Race Theory."**

**"This is part of that Marxist ideology that you only have two classes of people: the Oppressed and the Oppressors."**

***"Moving Beyond a Victim  
Mentality...Far too many  
people today have a  
victim's mentality."***

***(Ben Carson, M.D., *The Big  
Picture*)***

**"I saw this victim mentality epitomized...at one of the televised 'town meetings' conducted by President Clinton during his first term of office."**

**"Did he say that? Of course not. In our day, few politicians would...An answer like that from a politician would be viewed not as encouraging but uncaring."**

**"The whole world today...seems to accept without question this 'victim mentality.'"**

**"I have already noted my mother's influence. She refused to see herself as a victim and determined not to let us think of ourselves that way either."**

**"One of the primary ways she did this was refusing to accept excuses from me or my brother..."**

**"That may have been one of the best things she ever did for us...we quit giving excuses and figured out how to do what was expected..."**

**"Victims often look for excuses and explanations for why things are the way they are...Overcomers...look for solutions that will change things."**

**Jude 1:4 For there are certain men crept in unawares, who were before of old ordained to this condemnation, ungodly men, turning the grace of our God into lasciviousness...**

**16 These are murmurers, complainers, walking after their own lusts...**

**Suzanne Barnett, 26 March 2022:**

***The cult of victimhood sabotages  
justice - Unproven allegations are  
destroying lives***

**"It is with some trepidation I reveal that I was sexually abused...I don't want to be seen as joining the conga line of women...I am neither victim nor survivor. Not once in 63 years have I used either term to describe myself..."**

**"There is a popular view...that all 'survivors'...must be believed by the allegation alone...**

**The majority of press and social media opinion is with you and the alleged offender may as well plead guilty..."**

**"If you think I'm being a bit flippant, I am not – I'm furious...There is a popular view that... complainants/plaintiffs do not lie. From my experience as a paralegal at the Victorian Bar for the last 30 years, I can assure you they can and do...."**

**"They seek not equality but the superiority conferred by victimhood. They yearn to be oppressed - or rather, to be perceived as sufferers - so as to take command of the university, the state, and through them, of you."  
("Inequalities"; Spring 2014 issue of Academic Questions)**

**Journal of Personality and Social Psychology,**  
**120(6):**

**"We show that individuals with Dark Triad traits - Machiavellianism, Narcissism, Psychopathy - more frequently signal virtuous victimhood..."**

**"...the frequency of emitting virtuous victim signal predicts a person's willingness to engage in and endorse ethically questionable behaviors, such as lying to earn a bonus...and making exaggerated claims about being harmed..."**

**Genesis 4:12 When thou tillest the ground, it shall not henceforth yield unto thee her strength; a fugitive and a vagabond shalt thou be in the earth.**

**13 And Cain said unto the Lord, My punishment is greater than I can bear.**

*Mail, Nov. 26, 2022:*

*"A Manhattan pharma heiress said her mother had to hire her a \$300-a-day deprogrammer to unlearn the woke views she was 'brainwashed' with at an all-woman's Massachusetts college..."*

**"Annabella Rockwell...graduated from Mount Holyoke in Western Massachusetts... and said it drove her to drink and made her briefly become estranged from her mother..."**

**"Prior to attending the elite school to study history, which charges \$60,000 a year, Rockwell said she grew up in a 'traditional' household..."**

**"However...[she] claimed the all-women's school 'totally indoctrinated' her into thinking she was an oppressed victim of the patriarchy..."**

**"...'This professor tells me about the patriarchy. I barely knew what the word meant. I didn't know what she was talking about,' she told the New York Post..."**

**"... 'But I was told there's the patriarchy and you don't even understand it's been working against you your whole life. You've been oppressed and you didn't even know it. Now you have to fight it."**

**"... 'And I just went down this deep rabbit hole'... 'I saw everything through the lens of oppression and bias and victimhood. I came to the school as someone who saw everyone equally. I left... automatically assuming that all white men were sexist..."**

**"That rabbit hole...left a deep division between her and her mom. She felt she had to educate about the real state of the world, including writing her a 'manifesto' that claimed her mother treated her like a 'wind-up toy.'..."**

**"In her post-graduation manifesto, she also accused her mother...of never loving her."**

**"... 'My thoughts were no longer my own,' she told the Post. 'I left school very anxious, very nervous, very depressed and sad...'"**

**"In addition to the alleged brainwashing, Rockwell said she found the freshmen rituals aggressive and that the drinking culture was massive on campus."**

**"Some freshmen even cut their hair into the MoHo Chop, which is a 'radical assertion of their LGBT identities,' for some and for others just an initiation ritual..."**

**"Conservative commentator Laura Loomer...said the 'entire culture there revolved around hating men and being a lesbian.'"**

**"'They're centers for indoctrination. If you send your kid there you're signing them up to hate the patriarchy and white people and the founding stock of our country. It's a bastardization of higher education for the sake of weaponizing naïve young women for the sake of advancing a toxic agenda,' Loomer told the Post..."**

**"Both former students say the school is a breeding ground for 'mean girls'..."**

**"She claimed Rockwell's time at the school was 'no different than if she'd been taken away by the Moonies..."**

**"The Rockwells were told it could take up to seven years to un-brainwash the young graduate..."**

**"It was as bad as trying to get a child off the streets who's on heroin..."**

**'[Professors and older students] tell the students they are special - it's like they are anointed - then they tell them how oppressed they are and what victims they are and how they have to go out in the world and be activists to stop the oppression'..."**
