

**Message Title:** Considering God's Schedule Pt-8

**Theme:** This message considers how limited our doctrinal education is in relation to God's desires.

We have been taught how to serve God and what we should do and not do but the knowledge of God is extremely limited. There is no real curiosity about why God put death in the Garden with two innocent people or why God would choose a death sentence for Jesus instead of just starting over, as He has done before, or why God created evil or why God should ever answer any of our prayers.

The Knowledge of the Holy changes our fellowship with God from abstract into reality. It stops us from thinking of God just as a care giver, protector, provider and savior into a physical supernatural being with a personality, desires, feelings and most important a purpose for everything He does.

As this change takes place we begin to live less on faith and more by sight and understanding and we begin to walk with Him instead of trying to get Him to walk with us.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, *even* as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
