The GOAL of Bible study is _____ !

Five Steps in the Bible Study Process 

1. Start with the Bible.
 - Study the Bible in its literal-grammatical- historical context.
2. Compare Scripture with Scripture.
 - Scripture best interprets itself.
3. Formulate a clear belief statement.
 - What does the Bible teach about _____ ?
4. Evaluate the world's truth claims through the lens of the Bible.
5. Apply what you have learned to your own life.
Goal= A CHANGED LIFE!

Five Steps in the Theology Process 

1. Biblical Theology
 - Employs a literal-grammatical-historical hermeneutic (The plain, normal sense)
2. Systematic Theology
 - Cross-references Scripture with Scripture
3. Doctrinal Theology
 - Categorizes and systematizes results of steps 1 & 2
4. Comparative Theology
 - Views the world through the lens of Scripture
5. Applied Theology
 - Applies principles to life **Goal = changed life!**
