

**Be Encouraged and Challenged
by the Ministry of Angels
Daniel 10:10-11:1 | January 15**

How many “people” appeared to Daniel in chapter 10? Who were they?

First – 10:4-9 – **“A man”** – awesome appearance – “vision” – terrifying – speaks unrecorded words – Daniel passes out

Second – 10:10-15 – **someone whose hand touched Daniel and picked him up** – sounds like Gabriel from chapter 9 – came because of Daniel’s prayer – was withstood for 21 days – Michael helped him

Third – 10:16-17 – **“one in the likeness of the children of man”** – touched his lips

Fourth – 10:18-11:1 – **“one having the appearance of a man”** – sounds like Gabriel again – fights with Michael against “princes”

How did Gabriel prepare Daniel for the final revelation?

- He provided physical care

- He reassured Daniel

- He encouraged Daniel

- He delivered strength
- He explained the purpose of the coming revelation
- He gave Daniel a glimpse into the angelic warfare behind earthly geopolitics

Conclusion

Three challenging and encouraging truths from Daniel 10:

- Christ is awesome and unrivalled
- Angels are ministering spirits
- Angels are warring spirits
