

“A Better Hope”

Lessons From The Land About The New Covenant

Hebrews 6:19-7:19

A 12-day tour of the Land of the Holy One impacts the soul in important ways! We traveled to the borders of ancient Israel, getting wet in the Sea of Galilee, the Mediterranean, the Jordan River, and the southern tip of the Dead Sea. Yet the abiding Biblical lesson for the Christian is that “a former commandment” (7:18) is set aside when “a better hope” (7:19) is introduced. See *through* the “shadows” (10:1) in the Land as one who has been born again. You are being “guarded through faith” for a glorious salvation!
