

The Progressive Themes of the Five Books of Moses

	The Character of God	Israel's Early History	God and His People
Genesis	The sovereignty of God in creation and election.	Selection	The Book of Beginnings - The origin of all things, including man's ruin.
Exodus	The power of God in redemption and deliverance.	Redemption	The Book of Redemption - Deliverance by power and blood.
Leviticus	The holiness of God in separation and sanctification.	Sanctification	A Book of Worship - Man responding to God's Lordship and holiness.
Numbers	The goodness and severity of God in judgment and provision.	Preservation	A Book of Wandering - God's chastisement and provision amidst man's faithlessness.
Deuteronomy	The faithfulness of God in discipline and destination.	Covenant Obligations	A Book of Remembrance - Recollecting God's past faithfulness and the renewal of His promises and man's responsibility.
