Believing God's Providence

I. The Amazing Truth

- A. Everyday we behold the wonder of God upholding and governing all things. What is providence?

- B. There are two amazing truths about God we see in providence: His power and His love.

II. The Glorious Purpose - what is God's glorious purpose for all that happens in our lives?

- A. God's glorious purpose is the everlasting salvation of His people. Romans 8:28; Eph. 1:11

- B. This is God's goal and purpose because in this way God is glorified. This is what we find in Eph. 1:12 and Rom. 11:36.

III. The Believing Response

- A. When we respond in fear, anxiety, and disobedience, this indicates we are not seeing the truth of God's providence like we should.

- B. When we see God rightly we will learn to respond rightly - all rooted in the truth of Who God is.
