From Living Waters, creators of the award-winning TV program "Way of the Master" and the popular movies "Audacity" and "Evolution vs. God," comes the powerful film "180." Executive produced by TV cohost and bestselling author Ray Comfort (*Hell's Best Kept Secret, Scientific Facts in the Bible*); this film delivers an unexpected, eye-opening look at the controversial topic of abortion.

"180" has been called a half hour of "video adrenaline," an "emotional rollercoaster," and "mind-blowing." This award-winning, evangelistic documentary carries a unique pro-life message in which you will see eight people change their minds about abortion in a matter of seconds...because they were asked one question.

**"If you have never seen this 33-minute video produced by my good friend Ray Comfort—I urge you to do so...eye opening—disturbing...It will powerfully challenge you concerning the Holocaust in America."**
