

Message Title: Considering God's Schedule Pt-10

Theme: This message considers the most important issue that affects our status in relation to God, and then it starts into the Millennial Reign which is the 6th age of the Earth.

From Adam and Eve in the garden until today there is one thing that makes the difference in how valuable each person is to God. It is where our attention is focused. When Adam and Eve chose to pursue what they wanted over what God wanted, they failed the test that God had set up for them. And so it goes for each of us. When our desires for what we want are greater than our desires to please our Creator, we fail to accomplish what we are made for.

The difference between Martha and Mary as told in the gospels is so subtle that it is hard to understand why Jesus admonished Martha when she was the one doing the work. The problem was not about the work it was where her focus was. Doing a good job was important to her, so much so that she scolded Jesus for not providing some help with the tasks. In our mind we think, someone had to do the work and Martha was doing her best, but in reality Mary had chosen correctly because her attention was on Jesus. Had Jesus explained further to Martha, He may have reminded her of the five thousand that He fed, as a reminder of what He was capable of and could have done for everyone there.

What caused Martha's problem? It is a heart problem as explained in Jeremiah 17:9-10; "The heart is deceitful above all things, and desperately wicked: who can know it? I the LORD search the heart, I try the reins, even to give every man according to his ways, and according to the fruit of his doings." The problem is that our heart is set on us and seeks every opportunity to make us feel better about ourselves.

The speaker would like you to know that all of these messages are in the chronological progression that God revealed them, and even though many may stand alone, they progress through several subjects that build on the previous lessons. This series of messages titled "Our Timeless Creator" (OTC), shift the focus from salvation and service, to understanding God. How He who needs nothing, benefits from creating the human race. It started in 2007 when God brought the speaker to Psalm 50:15 three times following the miraculous healing of his dying wife. It reads, ***“And call upon me in the day of trouble: I will deliver thee, and thou shalt glorify me”***. Following this he prayed fervently. "LORD, show me how to glorify you and I will do the best I can". The speaker had become a new creature, (2 Corinthians 5:17) on May 20 1973. At that moment the reality of GOD's existence and the direct connection to the Bible became miraculously clear. Overwhelmed with excitement he began telling everyone who had a few moments to listen, what he had found, like a man who had found a cure for a terminal illness, which everyone had. His excitement and enthusiasm continued for well over a year, even when many said, "you'll get over it." Slowly his efforts began to focus on responsibility and all the how-tos of service. As the excitement faded it was replaced with frustration. He had said many times "the most frustrating thing in life is, knowing what GOD could do and watch him not do it". In 2005 GOD began a work as described in Job 5:17-18, that changed everything. He says," it was much like when I first became a child of God all over again". He describes it like application of (2 Corinthians 3:18), "But we all, with open face beholding as in a glass the glory of the Lord, are changed into the same image from glory to glory, ***even*** as by the Spirit of the Lord". Truly a life changing experience as God increases and we automatically decrease.
