**Lesson 34:** Psalm 73 – Getting to the Heart

Text: Psalm 50

Theme: Asaph proclaims God as a righteous judge.

---

Someone asked about the seer and was there a different focus on their ministry (1 Sam 9:9, 19; 2 Sam 24:11)

If you that spent time reading Psalm 50, what did you notice?  
What stood out to you?

Keys for me:

God is a righteous judge (vv. 1-6)

God will judge His people (vv. 7-15)

God didn't merely want things (He owns everything already); He wanted their hearts – and He didn't have it

God will judge the wicked (vv. 16-23)

? What happens when what you think should happen doesn't?
