

OPC WORLDWIDE OUTREACH

HARVEST / 2021

COMMITTEE ON CHRISTIAN EDUCATION

General

A. History

2nd G.A. (1936) - *"The Committee on Christian Education wishes to express its conviction that the triumph of unbelief in the old organization was due in no small measure to the prostitution of existing educational agencies through compromise with unbelief, on the one hand, and to the lack of a full-orbed and consistent system of Christian Education on the other."*
