

VI. The COMMUNICATION in Marriage

(How to have intimate conversation without fighting)

It is this professor's observation that generally, men need to work at communication more so than women. Women are naturally more high verbal than men.

Men often need to learn to talk more and women often need to guard how they talk.

Communication is so vitally important to human relationships. Sin, however, has greatly affected our ability to communicate.

See: James 3:1-12
