What happened on day one of Jesus' final week before His sacrifice?

- 1) Jesus Took **Control** v.28-35
  - a. Jesus arrived to Jerusalem by **Sovereign design** (v.28) *Ac 2:23; Ps 118:22*
  - b. Jesus had **sovereign control** of all of nature. V.29-34
  
- 2) Jesus received the **identifying praise**. V.35-40
  - a. They raised their voices in praise for **all the works**... v.37
  - b. They raised their voices in **expectation**. V.38.
  - c. The religious leaders raised their voices in **objection** (V.39-40).  
Blasphemy!
  
- 3) Jesus wept at the **sight** of Jerusalem. v.41-44
  - a. Jesus wept because they didn't **seize their opportunity** v.42!
  - b. Jesus wept because they missed out **on peace** v.42.
  - c. Jesus wept because of **coming destruction** v.43-44.

Jesus' love is undeniable.

---

- His **love** is constant (tears)
- his **invitation** is constant - (your time, your peace, your visitation) –
- His **warning** is constant - you and your children will be leveled.

Repent or perish is still the message!
