Giving away \$100 bills at Christmas.

God is greater than our choices. God is behind our free choices.

Has God's Word failed?

Let us think about what the Bible says about the Bible.

(Isaiah 55:11; 2 Timothy 3:16; Psalm 19:7-11; Matthew 4:4; Psalm 119:9)

Christians are people of the book.

Paul is addressing one of those times in our text.

If the Israelites reject their Messiah, has God's Word failed?

For not all Israel is of Israel. They are not true, spiritual Israel. v 6,7,8.

Summary of OT history - the rebellion of God's people of God and the salvation of a remnant.

What does that phrase mean, *children of the promise*?

Here we see the unveiled God-ness of God!!

Does God's absolute sovereignty in salvation bother you?

God's Word is sure, his decision is final. His Word does not fail.

No one can thwart the will of the sovereign, self-determining God.

And, what has this Sovereign God said, to everyone? (Matthew 11:28; John 6:39; 6:37)

You can believe that Word from God.
