

Genesis 6:1-7

II Peter 2:4-5; Jude 1:6-7

This is a very controversial chapter in the bible. This chapter tells us about giants and how they came to be. It tells how men became wicked and upset God, and how God vowed to destroy the wicked men on earth along with all the animals. But Noah found grace in God's eyes. Noah built the ark and saved his family and some animals per God's instructions. God sent the great flood and destroyed all the evil men on earth at that time, save Noah, his family, and select animals.

Genesis 6:1-5

- 1 ¶ **And it came to pass, when men began to multiply on the face of the earth, and daughters were born unto them,** The earth is very populated now. It emphasizes that daughters are being born.
- 2 **That the sons of God saw the daughters of men that they were fair; and they took them wives of all which they chose.** All of a sudden the whole scene changes. The sons of God liked the appearance of the daughters of men and took them as wives. Some people say the sons of Gods are Caanites, but that's not true. "Sons of God" denotes "angels" anytime it is used in scripture. Angels saw the daughters of men, left their angelic state, took them as wives and bred with daughters of men.
- 3 ¶ **And the LORD said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be an hundred and twenty years.** This upset God that angels were breeding with men. God gave them another 120 years and then put a stop to that practice.
- 4 ¶ **There were giants in the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bare children to them, the same became mighty men which were of old, men of renown.**
- 5 **And GOD saw that the wickedness of man was great in the earth, and that every imagination of the thoughts of his heart was only evil continually.**

"Giants" means "fallen ones"; "after that" means "after the flood". This offspring of human woman and angels were half-human and half-angel. They were called "nephilim". That was Satan doing genetic engineering to destroy God's plan. This is where Goliath and his family came from.

After the flood and all those people were destroyed, more of this genetic engineering was done, but on a lesser scale. It's being done in little labs all over the world, human-to-human engineering. The UFO phenomenon is demonic in nature, Satan's attempt to pollute the human race again.

The world will again be like it was in Noah's day, full of sin and half-humans before the tribulation. The church of Satan that exists today has a ritual they perform where they beg Satan to come in and breed with women on the altar. This is being done today in our own country.

The origins of demons are never given in scripture. Some people think demons come from the death of these half-human half-angel beings that died in the flood. Demons have a driving desire to possess a human body because they lost their body in the flood. They are all dedicated to the destruction of mankind, and they all have different personalities. Can demons enter a Christian? Not a true Christian, who is a child of God. A Christian can be oppressed by a demon to the point that you think they're possessed as evidenced by their lifestyle.

II Peter 2:4-5

- 4 **For if God spared not the angels that sinned, but cast them down to hell, and delivered them into chains of darkness, to be reserved unto judgment;**
- 5 **And spared not the old world, but saved Noah the eighth person, a preacher of righteousness, bringing in the flood upon the world of the ungodly;** God took these fallen angels and locked them up. They committed the special offense of breeding with human woman and God put an end to it.

Jude 1:6-7

- 6 And the angels which kept not their first estate, but left their own habitation, he hath reserved in everlasting chains under darkness unto the judgment of the great day.**
- 7 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.** Angels left their angelic state and married the daughters of men. Nephilim = the fallen ones. They were not regular human beings.

There are many secular references to the giants that roamed the earth. They even have the bones on display to this day. Please listen to Carl's lesson on the posted mp3. In Rome, they found a whole cave filled with the bones of giants.

Genesis 6:6-7

- 6 ¶ And it repented the LORD that he had made man on the earth, and it grieved him at his heart.** God has feelings and mankind continually hurts God's feelings.
- 7 And the LORD said, I will destroy man whom I have created from the face of the earth; both man, and beast, and the creeping thing, and the fowls of the air; for it repents me that I have made them.** This sounds like God was caught off guard, but He wasn't. He knew this was going to happen, just like anyone who has a teenage knows the teenage years are coming. But it still grieved Him to see His children go astray, as it does to any parent who sees their children go astray. The kids will pay the consequences of their actions, and usually there is nothing you as a parent can do about it. Older kids like teenagers make their own decisions, not all right choices, and they have to pay their own consequences.
