

Title: "The Virgin Birth of Christ Will Always Be One of the Wonders of the World"
Text: Isaiah 7:1-17
Theme: Isaiah's prophecy came to a weak and faithless king in Israel whose nation was being threatened by neighboring bully nations with extinction. We, too, were weak and faithless and threatened with extinction by the righteous wrath of God and the venom of Satan. The Virgin Birth is not a myth or a nice idea. It is our salvation from the extermination of sin, which was typified by the enemies of Israel in the Old Testament.
