

EMBRACING YOUR SECURITY IN CHRIST

I. Security Defined

"Eternal security means that when you have been saved from the penalty of sin by God's grace through faith alone in the finished work of Jesus Christ alone at a point in time, you will never, ever be in danger of God's future condemnation or loss of your salvation, but instead you have eternal life and are kept forever saved and secure by God's grace and power."

In short, it means _____, always _____.

I. Security Resisted

A. There are some who feel they must _____ against this.

B. The breakdown always centers on not understanding _____.
