

Little Lives Matter

Psalm 10

What God thinks ...

I. The Sanctity of Human Life

- A. The Image of God
- B. Windows into the Womb (ultrasound)
- C. Preservation or Perversion

II. The Onus on Mankind

- A. Protection
- B. Accounting (judgment)

III. A Call for Justice & Mercy

- A. Popular Cries
- B. The Word of God
- C. People of Action

... matters the most.

Children, Listen ...

1. Who made you?
2. Since God made all people, is it important to respect all human life?
3. Do little babies in mommy's tummies matter to God?
4. Should God's people make sure they do all they can to keep babies safe?
5. Will you pray with your family today for ministries that help care for unborn babies?

As you do not know the way the spirit comes to the bones in the womb of a woman with child, so you do not know the work of God who makes everything.
