

How to Never Get Over Your Salvation  
1 Timothy 1:11-17  
1 Timothy: Living Out Love in the Local  
Church, part 3

- Paul has been saved for well over \_\_\_\_\_ years as he writes 1 Timothy, yet he looks back at his salvation on the Damascus Road as if it happened yesterday. Paul shows us how to never get over our great salvation we have in Christ.
- Timothy faced a situation where the church at Ephesus had left their first love and grew tired of hearing the Gospel. Many wanted their \_\_\_\_\_ with speculations and false doctrines of demons (2 Tim.4:3-4).
- As you remain continually thankful to God, you will never get over your salvation and what He has done for you through the “\_\_\_\_\_” (v.11)
- Because it is easy to lose the joy of the Lord and grow weary in well doing, we must

continually remain thankful in these three ways:

**1. Remain Thankful for Christ's**  
\_\_\_\_\_, v.12-14

- In our **high, holy & heavenly** calling (Phil.3:14; 2 Tim.1:9; Heb.3:1), God has given to us in exceeding abundance:

A. \_\_\_\_\_, v.12

B. \_\_\_\_\_, v.13

C. \_\_\_\_\_, v.14

**2. Remain Thankful for Christ's**  
\_\_\_\_\_, v.15, 16

- These two verses reveal two unchangeable truths about Jesus' coming. Jesus...

A. Saves \_\_\_\_\_ like Paul, v.15

B. Shows \_\_\_\_\_ for Paul, v.16

### 3. Remain Thankful for God's \_\_\_\_\_, v.17

- Paul began this section expressing thanks for what God has done; he concludes it with praising God for who He is: our King eternal, immortal, invisible, and the only wise God!

Let us never get over our salvation nor grow tired of serving our great Savior. Remain thankful to Him for all He is and has done!
