

Lust vs Love; Greed vs Gratitude
Ephesians 5:3-6

God gives good gifts to His people.

Satan counterfeits God's good gifts.

Sexual sin is not the unforgivable sin.

Immorality: What is here condemned?

What excuses do we make for continuing in this sin?

Impurity: This is the thought life that leads to immorality.

Greed: Sexual immorality is an expression of greedy self-indulgence.

Sex, the act of marriage, is to be other-focused and God-glorifying.

You are separated for something better.

Don't allow this sin to take root in your heart and life.

Filthiness, silly talk, crude joking

Thankful for what?

To forget gratitude is to breed greed.

Warning:

Those who indulge in sexual sin and refuse to repent, have no place in the kingdom of God. (1 Corinthians 6:9-11; Galatians 5:16-21)
