Title: What Christ's Deity Means For Us | **Text:** John 1:1-18

Key Thought: As regenerate believers we can find great comfort & encouragement in the fact that Jesus is God Incarnate. John calls Him: the Unique One (Grk. "*monogenes*")—"the *Only Begotten of the Father*." We see in this passage that as the Unique One—*God In the Flesh*—Jesus is *Truth*, He is *Grace*, and He is *Light*.

Prove that Jesus is *God Incarnate*. **(1)** The Scriptures foretold it, Isa 7:14; 9:6; **(2)** The holy angels proclaimed it, Lk 1:35; 2:11; **(3)** God the Father declared it, Mt 3:17; 17:5; **(4)** Jesus Himself said it, Jn 6:38; 10:30; **(5)** The apostles taught it & wrote it down for us, Rom 9:5; 1 Tim 3:16.

As God Incarnate:

1A He understands everything about our mortal condition

Examples of His understanding as Divine Truth:

1B All things were made thru Him, v3

2B The world was made thru Him, v10

3B As sinners, we need to be "re-made" by God, vv12, 13

2A He enters into our trials & tribulations to walk with us

Examples of Divine Grace demonstrated:

(1) Called Levi to be an apostle.

(2) Healed Roman centurion's servant.

(3) Forgave woman caught in act of adultery.

(4) Cast out demons, healed the sick; fed the hungry 2x.

(5) Raised the dead 3x.

(6) Forgave Peter for denying Him. Forgave Paul for persecuting Christians.

(7) Comforted grieving woman outside His tomb.

(8) Walked w/two on the road to Emmaus.

Etc. etc., Jn 21:25

3A He overpowers sin in our lives to bring glory to His work in us

Examples of Divine Light shining upon men:

1B John sees Christ as the Light shining upon men, vv5, 9; Jn 3:18-21

2B The OT Scriptures give us this metaphor of Christ as the Light, Mal 4:1-3; Isa 9:1-7

3B Christ Himself teaches us that He is the Light, Jn 8:12; 9:5; 12:36

4B The Apostles continue that teaching in their writings, Eph 5:8; Php 2:15; 1 Jn 1:5-7

5B It is Christ shining in our hearts that scatters the darkness in them, 2 Cor 4:1-6
