

“Walking in the Fear of the Lord”

Ephesians 5:21

Introduction:

Main Point: As those who trust in Christ alone for salvation, we are called to walk worthy of what He has done for us. In contrast to the rebellious world, we are called to walk accurately (5:15) according to God’s will revealed through His holy Word. This is accomplished under the controlling influence of the Holy Spirit (5:18) which leads to growth in wisdom and knowledge, joy and thanksgiving from the heart, and mutual edification and service (ministry).

I. Because of who He is

II. Because of who we are in Him

III. How is it reflected in our daily lives?
