

SUNDAY MORNING

LIVING BY FAITH

1/8/2017

3rd message in the series: **His Presence – Your Joy**

Text: Hebrews 11:7-19

Theme: Putting your faith in Who God is.

As a Christian your joy isn't to be based on: your circumstances, your relationships, your successes, etc. **Your joy is to be based on Who God is and what He can do.**

Joy is a byproduct of our faith. Without faith you will live your life without hope and without joy

This faith is in the fact that God is worth our every pursuit of Him

I. You must believe in what God has said (vv. 7-11)

II. You must believe in what God can do (vv. 17-19)

Just knowing God was there gave Abraham great **HOPE**

For you to live with hope and joy as a Christian you must believe that all things are possible with God. He may not have promised you perfect relationships, financial riches, great health, but your hope comes in believing that through God all things are possible.
