By the Law of the Lord, Till He Reaches the City.”  
-Andrew Bonar’s title for Psalm 119*

**1. Though it is no easy task, believers are called to actively use His Word as they pursue \_\_\_\_\_ in life.**

- a. In the midst of great challenges to impurity, God has given believers His sufficient Word as a necessary \_\_\_\_\_ to use in the battle.
- b. To win the battle for purity, believers must diligently, prayerfully, and humbly seek the Lord for help in their proneness to \_\_\_\_\_ from His commands.
- c. Believers must recognize that the Word of God is a valuable \_\_\_\_\_ to be used in the temptation to sin against God.

**2. As believers use the Word of the Lord in their fight for purity, there are multiple God-honoring responses that aid in the battle.**

- a. Praise the Lord who is infinitely \_\_\_\_\_ within Himself and therefore delights in blessing His people by granting them insight into His Word.
- b. \_\_\_\_\_ with others the truths the Lord reveals.
- c. \_\_\_\_\_ in the way of God’s testimonies as this is true wealth.
- d. \_\_\_\_\_ carefully on God’s precepts as this “*converts the Word into real and proper nourishment.*” - Charles Bridges
- e. Meditation on the Word of God leads directly to \_\_\_\_\_ in His Word.

*“The statute book is intended to be the \_\_\_\_\_ of every loyal subject.” - Charles Spurgeon*

*“The word is very emphatical: ‘I will skip about and jump for joy.’” - Adam Clarke*
