**Sermon Text: Genesis 5:21-24**  
**Hebrews 11:1-7 and Jude 14-16**

You are to see two things in this text about Enoch: the way he spent his life, and the way he ended it. Look a bit more closely at those two points, and as you do, you will learn something important about how you today are to live your lives, and also how you may hope to end them happily!

**1. The way Enoch spent his life: he “walked with God”**

**2. The way Enoch ended his life: he “was not, for God took him”**
