2/19/2023

Sermon 4: **Hope for a Destructive Home**

Text: 1 Peter 2:15-3:12

Theme: God chooses to use His chosen to help others to change.

We are in a series...

Sinful words, silence and actions... living with the enemy

Identifying the enemy in your home – look at yourself

Trusting the Lord when offended

Raising the value of the offender – through forgiveness

TODAY: The Lord wants to use you...

? Why am I focusing on those of us who are being sinned against rather than those that are sinning against us?

WHAT IF GOD WOULD CHOOSE YOU TO HELP CHANGE THEM?

I. God has chosen to use you to help others to change (1 Pet 2:15-3:9)

Look for the four key phrases in verses 15-20

II. God has chosen to help you (1 Pet 3:10-12)

What God has called us to do, we can't do without His help
