MAKING SENSE OF CREATION

2/20/2022

Text: Various

Theme: Use scripture to understand scripture.

- ☞ “When the plain sense of scripture makes common sense, seek no other sense lest it results in nonsense.”
 - Don’t read into the scriptures; read out of it
 - Use other scriptures (cf) like “filters” to what you believe and understand

? Did God create Adam and Eve on the same day?

Passages to consider: Gen. 1:26-31; 2:20-22

? Did anyone look up or does anyone know what book was written within the writing of another book?

I also want to explain a little further 2 Peter 3:1-8

DAY-AGE THEORY

The theory states that each “day” represents an age of time

✚ Interestingly they don’t teach that the Lord created in six, one thousand year periods of time... it could be billions of years

Usage of the word “day” in creation: Gen 1:5, 14, 16; 2:4, 17 Ex 20:9-11; Heb 4:3, 10

To me the only reason to choose to believe in the day-age theory is because you don’t think God can create what is spoken in 24 hours

If He can’t create in 24 hours, can He create

1. Out of nothing
2. Just by speaking
