Total cleansing from impurity through the Davidic Priest

ZECHARIAH 1–6

God's unstoppable plan for Jerusalem involves establishing his Davidic king-and-priest who will—in a single day(!)—reconcile many nations to God and will also eventually judge those who refuse to submit themselves to him.

*Total transformation of life
through the Lord of hosts*

ZECHARIAH 7–8

The Lord himself will live forever in Jerusalem
with his transformed people of many nations.

*Total rescue from enemies
through the afflicted Shepherd*

ZECHARIAH 9–11

Though Israel tried to get rid of God as their shepherd, he graciously endured affliction to rescue them from all their enemies.

*Total remaking of creation
through the pierced Lord*

ZECHARIAH 12–14

The Lord will eventually save all his repentant people from sin, from every enemy, and from the curse, and he will rule forever as king over a recreated planet.
