

A Commitment to Compassion

Mark 6:30-44

You can serve others with compassion . . .

Because you can rest in the Christ who knows your needs and restores your soul 30-34

You know where to rest.

Because people really need Christ's compassionate teaching (whether they know it or not) 33-34

You know what Christ says is best.

Because Christ commands you to serve (whether you think you can or not), 35-37

You know that this is a test.

Because Christ will use what you already have (whether you think He can or not), 38-41

You know Christ can use what you have to invest.

Because Christ will use you to meet the needs of others, 39-44

You know that you have been blessed.
