**Ecclesiastes 3:16-22**  
**Sermon 6**

**Proposition: Live for the One “who can bring” you to the afterlife because there is a time after time!**

**Interrogative: What does Solomon teach us about the afterlife?**

**Transition: He teaches us three truths about the afterlife. First, it will be . . .**

**I. A Time for Judgment (3:16-17).**

- A. What you \_\_\_\_ is NOT what you get (3:16).
- B. What you’ll \_\_\_\_ is what you deserve (3:17).

**II. A Time for Testing (3:18-22a).**

- A. 3:18-20 relate Illustration #1: Your body is no different from the \_\_\_\_\_.
- B. 3:21 relates Illustration #2: But the eternal destiny of your \_\_\_\_\_ may be different from the \_\_\_\_\_ in that it may or may not be transported “upward”.
- C. TESTING in 3:18 links with WORK in 3:22a.

**III. A Time for Salvation (3:22b).**

- A. The message of salvation was corrupted and confused in surrounding cultures.
- B. The message of salvation was concise and clear for Solomon.

**Prop: Live for the One “who can bring” you to the afterlife because there is a time after time!**
