

JOB
God Speaks, part 3
Job 40:1-24

Mac Williams, Pastor
January 27, 2013

"When our hearts begin to melt and relent within us, let those considerations be _____ upon and pursued which will help make a thorough effectual thaw of it." - Matthew Henry

1. God challenges Job's tendency to find _____ and then contending with Him about those "faults."

- a. Men often find fault with the _____ of God.
- b. Men often find fault with the _____ of God.

"Any secret rising of heart against what God does, is, in this sense, a striving with God; yea our being not fully pleased and satisfied with what God does, is in some sense a contending with God: and if all this be to contend with God, how many are there that _____ with God! And who almost is there that does not?" - Joseph Caryl

2. God's _____ for the inclination to find fault with God.

- a. Realize that no one is _____ to argue with God.

"Repentance changes men's _____ of themselves." - Matthew Henry

- b. Realize that only God is holy and just in _____ that He does.

- c. Realize that only God is truly eminent and worthy of _____.

- d. Realize that only God can successfully deal with the _____ of man.

- e. Realize that only God possesses almighty _____.

- 1) It is God who made the _____ to be strong and powerful.

- 2) If man cannot control beasts like the behemoth what makes him think he can control his _____.
