

## **TAKE HEED THAT NO ONE DECEIVES YOU**

2 Timothy 2:15-16 says Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth. 16 But shun profane and idle babblings, for they will increase to more ungodliness. I believe it is easier today for people to be deceived even though we have so much access to Bibles, study materials, and sermons because people in most cases don't avail themselves of the resources that are available. Yes, you have to be discerning in who you listen to and where you get your study materials because there are so many out there that are out in left field where the Bible is concerned. Many preachers today are not preaching the Bible word for word and taking the time to explain things to their congregations. It is getting harder and harder to find a church with a preacher like that. But in spite of all that it is our job to find the best church we can and support it or start one that we can support. It is also our job to make sure we know what we believe and why we believe it. With all that is out there we have no excuse. If you need some help I will be glad to guide you to some people and places where you can know you are being taught correctly.

Matthew 24:4 And Jesus answered and said to them: "Take heed that no one deceives you.
