Lesson 2: The Christian in Full Armour

Text: Ephesians 1:15-23

Theme: Praying for a full understanding of God and all that He offers the Christian.

The first thing Paul does once he heard that they were saved is he started praying for them

I. The preacher praying for new Christians (vv. 15, 16)

II. The requests of the preacher for new Christians (vv. 17-19)

1. That you may know God's calling
Atheist – there is no God to know
Agnostic – there is a God, but you can't know Him
Christian – there is a God and you can know Him

✠ **God is already looking beyond your past to your future!**

2. That you may know God's riches for you

In Christ Christians are promised the riches of God

Matt 21:37, 38 – Christ's parable teaches a tremendous truth

3. That you may know God's power – available for you

This is all for you to know, but you must strive to know it. **These would be great studies!!**
