Praxis:

1. What developments do you observe in the response of the Pharisees to Jesus (see 2:18, 5:18-19, 7:32, 7:45-52; 8:12-20). What ways does this development relate to John's purpose in 20:31?
2. How might Jesus' interaction with the Pharisees shape our evangelism? Our response to rejection?
3. Jesus says he is the Light of the world. What does this declaration reveal about his character as Messiah?
