Disciples learn to advance the kingdom of God through spiritual means.

- I. Christ called him away from a life of insurgence. (Lk. 6:15)

- II. The Bible does not command pacifism. (Rom. 13:3-4)

- III. The Bible does not prohibit the use of weapons for self-defense. (Lk. 22:36)

- IV. The Bible forbids using force to advance God's kingdom. (Jn. 18:36)

QUESTIONS FOR REFLECTION

- What did you learn about warfare and weapons?
- How can you be more serious about the kingdom of Christ?
- Who can you reach out to with the gospel and how?
