#### 1. The fundamental problems that people have to deal with have their \_\_\_\_\_ in sin and Satan.

- a. \_\_\_\_\_ is any disobedience against the Law of God, therefore it causes man to be spiritually polluted and filthy before God.
- b. Satan is the great adversary of man.
  - 1) He regularly brings \_\_\_\_\_ against the people of God to make them feel unworthy before the Lord.
  - 2) The opposition that believers endure is not primarily from flesh and blood people, but from the \_\_\_\_\_ and his angels.

#### 2. It is by the love and grace of the Lord Himself that man has hope of \_\_\_\_\_ over sin and Satan.

- a. It is the Angel of the Lord who intervenes on behalf of sinners.

b. It is the Angel of the Lord who \_\_\_\_\_ Satan and his accusations against the people of God.

1) Satan is rebuked because the Lord has set His love on His people and \_\_\_\_\_ them.

2) Satan is rebuked because the Lord has redeemed them in spite of what they \_\_\_\_\_.

c. It is the Angel of the Lord who declares believers \_\_\_\_\_ of their sin.

d. It is the Angel of the Lord who declares believers to be \_\_\_\_\_.

e. Zechariah displays a godly zeal for the Lord's work within His people, in his desire that they be set apart as \_\_\_\_\_ unto the Lord.
