1. Definition of Day

But, consistently, without exception in the Scripture, when "yom" is used

- within these two conditions it means a literal 24 hour day.
 - With mention of "M_____ and evening", as it is here in the Creation account,
 - With the N_____ of the day, such as "Day One", "Day Two", etc.
- regarding the seventh day of rest, a consistent week of 24 hour days takes place prior to the S_____ day of 24 hours.
- from the fourth day of creation on, days, years, signs, and seasons are mentioned that demonstrate the n_____ understanding of time is being used.

New Hope Bible Church Statement of Faith:

1.14 We believe that the origin of the universe, the world, and life was by the spoken words of God in six consecutive twenty-four hour days about 6,000 years ago, and that the flood account of Genesis was an actual global event.
