

EXODUS

Out of Egypt to Meet with God

Remember the Sabbath Day

Exodus 20:8-9

PASTOR'S PRAYER

Almighty God, Father, Maker, Creator of all things, Very Good. Thank you for giving us your Word and thank you for giving us work and rest. Thank you for granting us strength and wisdom to work and rest with a glorious hope waking us every morning and eternal promises to comfort us as each day comes to an end. We confess our constant grinding and toiling and burden dragging of our days. We rise to enter into our days full of trouble. Our daily routine are often filled with frustration, anxiety, discord. Our lives become bitter and filled with the mundane and trivial. O that you will grant us repentance and faith in Christ this morning that we might live as people of grace and peace and rest. May our work and rest be rooted and strengthened by the abiding promises of your Word and the satisfying comfort of your Spirit this morning, LORD. Would you turn us to Christ who is the LORD of the Sabbath rest you have promised and give us a delight and joy in knowing and living in Him this morning. Amen & Amen
